

Dear Loyal Customer,

At Arcadia Home Care & Staffing, we strive to make you and your loved one as comfortable, healthy, and as stress-free as possible. Our goal is to keep your loved one at home and healthier longer. We have always provided for your family's needs with our caregivers but now we have the ability to offer even more custom services.

Arcadia has partnered with CruiseOne - the nation's largest cruise travel retailer - and can now help you design the perfect vacation for you and your loved one in need of supportive care. CruiseOne offers travel packages with major cruise lines tailored with the support of Arcadia's caregivers throughout your vacation experience.

Arcadia's caregivers will accompany your loved one offering companionship as they tour some of the most beautiful and most exclusive ports in the world. Arcadia will tend to your loved one, provide medication reminders and ensure a healthy diet, as well as assist with personal care. Arcadia offers every level of care from: simple assistance getting ready for the day's activities, continuous companionship, preparing to retire for the evening, to nursing care and vital sign monitoring. Arcadia and CruiseOne recognize that your loved one deserves the best, most dignified, respectful and compassionate service. Therefore, our professional caregivers will remain discreet to ensure the vacation is not only enjoyable but also safe and comfortable.

CruiseOne has designed travel programs tailored to accommodate your loved one's interests and capabilities, as well as programs that will be enjoyable for the entire family. You can travel with a frail family member and rest assured an Arcadia caregiver will be with them, allowing everyone the freedom to experience each port or location to the degree they desire.

I want you and your loved ones to have the best hassle-free vacation. Traveling the most beautiful places with safety and peace of mind, knowing an Arcadia caregiver will be there to support and oversee their well-being. I believe Arcadia and CruiseOne can make this happen for you!

Sincerely,

John Elliott
